## SUPPLEMENT

On 06-29-21 at approximately 1931 hrs. I (Ptlm. Benros) was dispatched to the area of 260/264 Sayles St. for a report of a large public disturbance. I requested for Sgt. Paolo and several other units to respond also. Upon arrival I observed numerous people in the middle of the street physically fighting. It should be noted that the residents from 260/264 Sayles were making threats to harm each other on a prior call where I responded at 1803 hours.

While approaching the said location I could hear the loud music, which I soon learned was coming from 260 Sayles St. where I observed the massive speaker on a stand in the driveway. It should be noted that I had addressed the loud music prior. I issued environmental summons # MC061968 to the owner of 260 Sayles St. identified as Taffii Moore DOB 02-█-76 for the loud music (16-93).

While Police were attempting to disperse the crowd, numerous individuals became confrontational towards Police and attempting to physically fight each other. One suspect, identified as █ then began to charge at one of the subjects that she was having an altercation with, and would not listen to police commands to stop, at which time she was apprehended for disorderly conduct.

Another suspect identified as █ also began to try and assault another unknown subject. As police attempted to apprehend him he ran into the crowd. The crowd attempted to prevent the arrest as Ptlm. Benros wrestled with him and Lt. Barros delivered a knee strike to the upper torso. As █ was brought to the ground, the crowd followed and attempted to interfere with Ptlm. Benros, who deployed O.C. as a defensive measure. Lt. Barros then ordered the crowd to back up as they continued their threatening behavior and ignored commands as he issued a short burst of pepper spray to create distance for the officers who were wrestling on the ground in a vulnerable position. It was at this time that several police officers had to use their department issued pepper spray, due to the large size of the crowd, as well as the crowd becoming threatening towards police. After deployment, several subjects then fled the scene. █ was then transported to central and turned over to Youth Services for charging for disorderly conduct.

While taking █ into custody a subject identified as █ grabbed a hold of Ptlm. Georges arm, trying to prevent the arrest of █. Ptlm. Pirolli grabbed █ and pushed him into the fence to separate him from the arrest of █. While Ptlm. Pirolli was holding █ against the fence a subject unknown to police grabbed onto Ptlm. Pirolli, at which point he delivered multiple strikes to the body of the unknown subject. After the subject released Ptlm. Pirolli the █ subject was apprehended, and police observed that █ had been peppered sprayed. █ was giving the opportunity to wash his eyes out. █ was then transported to Central Station and turned over to Youth Service Bureau, to be charged with obstructing a police officer, as well as disorderly conduct and resisting arrest.

Also, at this time, another suspect later identified as Zyrray Moore, dob; 10 █-99, a female, was also being apprehended, and began to fight with police. She stated, "get your █ hands off me, you mother █", and then turned and struck Sgt. Greg Paolo with a closed fist in the left side of the head. Sgt. Paolo then struck Moore in the face with a closed fist, causing her to fall to the ground, at which time, Sgt. Paolo, Ptlm. Cotugno, and Ptlm. Schneider then struggled with Moore, for several minutes, before she was placed into handcuffs. Moore was transported to Central Station, and charged with assault on a police officer, disorderly conduct, and resisting arrest.

The final suspect, identified as █, was also apprehended for disorderly conduct, due to the fact that she also tried to charge at a subject, in order to fight with them.

BWC's were activated, however several officers including Sgt. Paolo had their cameras dislodged from the mounts during the struggles, and could not be found for several minutes. AIR reports were completed.

A female later identified as Nicole Blakely, dob; 10 █/89, complained of an asthma attack on scene. She was transported to RI Hospital for evaluation by Rescue 2.

Cars 221, 222, 223, 224, 231, 232, 233, 211, 212, 291,281, 251, 244,242, and 243, all responded to the large disturbance, as well as Capt. Fernandes, Lt. Barros, Lt. Carroll, Sgt. Groot, and Sgt. Rampone.

## NARRATIVE

On 06-29-21 at approximately 1803 hrs. I responded to the area of Sayles and Searles St. for a report of a keep the peace. Upon arrival I was approached by a female who wished not to be identified and stated that her seven-year-old daughter was being threatened by some neighborhood kids.

I observed numerous adults and numerous young children running around the middle to the street, getting wet while the Fire Hydrant was on. Some of the adults were drinking beer and had boxes of beer on the side walk. Some of the other neighbors were playing loud music with a massive speaker on the driveway.

I observed several vehicles illegally parked and while I was addressing the parking situation some of the people became belligerent towards Police and also while addressing the loud music.

Car 225 Sgt. Paolo and several other units responded and addressed the situation. No arrests were made at the time.
